Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality in order to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like providing items that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills together with their knowledge of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both parts and technical support obtainable when it is needed. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning equipment running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that ultimately lowers your cleaning expense. The service, the product and the price all work as one to make them an industry leader.
